

Living Kidney Donors Network Workshop: "Have Your Donor Find You!"

Summary of Evaluation Forms

Total patients in attendance: 25

Minority breakdown: 19/25 African American      2/25 Indian      4/25 White

Pre Surveys Completed: 14      Post Surveys Completed: 18

After reviewing both the pre and post-surveys, we can see that patient knowledge of transplantation and of living kidney donation improved significantly due to the workshop. Patients' comfort level asking someone to donate a kidney to them also rose as a result of the workshop.
