What was the best part of the program for you?

Responses:

Great information. Very resourceful

The groups talking

Great program, learned quite a bit.

The speaker and subject matter

April's, presentation (April was a moderator and living kidney donor)

In group discussion with others needing a kidney

Finding some info – no one is helping me. I am alone and losing hope

The sharing of the speakers personal stories and examples

Meeting other people and listening to their stories

I really feel that it's the best info I have received as an advocate for my husband

Learning about Living Kidney Donors Network

Learning how I can help be an advocate if I'm not able to donate.

The various methods to promote my situation need

All of the new information that I got

Ideas on how to network. Hearing other stories, sharing of ideas

Breakout sessions

Ways to spread the word. Websites etc. for more education

How can we improve the program?

Responses:

Possibly have an MD available to answer questions we write down on postcards

More classes & More Q & A

Include a few vignettes of patients who received a transplant from a living donor

Don't do the group work

Have an option for people who don't like "small groups."
